SHRAVANI MALKAR

Full Stack Developer

BASIC INFORMATION

Motivated B.Sc. Information Technology student with a strong interest in software development and database technologies. Familiar with C#, ASP.NET, SQL Server, HTML, CSS, and JavaScript through academic coursework and hands-on project development. Built web-based applications using Visual Studio and SQL Server, gaining practical experience in coding, database design, and problem-solving. Eager to start a career as a Software Developer where I can continue learning, contribute to real-world projects, and grow my technical expertise.

PROJECT

Godwa Online Food Selling Website
